**H00002168-AP14****FABP1/L-FABP Antibody Pair**

| <b>Product Information</b> |                                                                                                                       |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 1 Set                                                                                                                 |
| <b>Concentration</b>       | Concentration of individual antibodies may be found on the vial label. If unlisted please contact technical services. |
| <b>Storage</b>             | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                          |
| <b>Clonality</b>           | Monoclonal                                                                                                            |
| <b>Preservative</b>        | No Preservative                                                                                                       |
| <b>Buffer</b>              | 1x PBS, pH 7.4                                                                                                        |

| <b>Product Description</b>  |                                                                                                                                                                                                                                                                                                                                                                                    |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>          | <p>Quality control test: Standard curve using recombinant protein (H00002168-P01) as an analyte. This antibody pair set comes with matched antibody pair to detect and quantify protein level of human FABP1.</p> <p>Capture antibody: rabbit MaxPab affinity purified polyclonal anti-FABP1 (100 ug)<br/> Detection antibody: mouse monoclonal anti-FABP1 IgG2b Kappa (20 ug)</p> |
| <b>Gene ID</b>              | 2168                                                                                                                                                                                                                                                                                                                                                                               |
| <b>Gene Symbol</b>          | FABP1                                                                                                                                                                                                                                                                                                                                                                              |
| <b>Species</b>              | Human                                                                                                                                                                                                                                                                                                                                                                              |
| <b>Notes</b>                | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                                                                                                                                                                                                                                                 |
| <b>Standard Curve Range</b> | 0.3 ng/ml to 100 ng/ml                                                                                                                                                                                                                                                                                                                                                             |
| <b>Assay Type</b>           | Sandwich ELISA                                                                                                                                                                                                                                                                                                                                                                     |

| <b>Product Application Details</b> |                                      |
|------------------------------------|--------------------------------------|
| <b>Applications</b>                | Sandwich ELISA                       |
| <b>Recommended Dilutions</b>       | Sandwich ELISA 0.3 ng/ml - 100 ng/ml |
