## RNF6 Antibody H00006049-B01P

Unit Size: 0.05 mg

Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.

| <b>Notes</b>                   | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| <b>Product Application Details</b> |                                                                                                                                                                 |
|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot                                                                                                                                                    |
| <b>Recommended Dilutions</b>       | Western Blot                                                                                                                                                    |
| <b>Application Notes</b>           | Antibody reactivity against Recombinant Protein with GST tag on ELISA and WB and also on transfected lysate in WB. GST tag alone is used as a negative control. |

## Images

Western Blot: RNF6 Antibody [H00006049-B01P] - Analysis of RNF6 expression in HeLa.

Western Blot: RNF6 Antibody [H00006049-B01P] - Analysis of RNF6 expression in transfected 293T cell line by RNF6 polyclonal antibody. Lane 1: RNF6 transfected lysate(75.35 KDa). Lane 2: Non-transfected lysate.
