

# Product Datasheet

## Ribophorin I RNAi H00006184-R01-20nmol

Unit Size: 20 nmol

Store at -20C. Avoid freeze-thaw cycles.

**H00006184-R01-20nmol**

Ribophorin I RNAi

| Product Information |                                                                                                          |
|---------------------|----------------------------------------------------------------------------------------------------------|
| Unit Size           | 20 nmol                                                                                                  |
| Concentration       | Concentration is not relevant for this product. Please see the protocols for proper use of this product. |
| Storage             | Store at -20C. Avoid freeze-thaw cycles.                                                                 |
| Buffer              | DEPC-treated Water                                                                                       |

| Product Description     |                                                                                    |
|-------------------------|------------------------------------------------------------------------------------|
| Gene ID                 | 6184                                                                               |
| Gene Symbol             | RPN1                                                                               |
| Species                 | Human                                                                              |
| Specificity/Sensitivity | Homo sapiens ribophorin I (RPN1), mRNA                                             |
| Notes                   | This product is produced by and distributed for Abnova, a company based in Taiwan. |

| Product Application Details |                                        |
|-----------------------------|----------------------------------------|
| Applications                | RNA Inhibition, RNAi sequence position |
| Recommended Dilutions       | RNA Inhibition, RNAi sequence position |
| Application Notes           | This RNAi causes protein knockdown.    |
