| <b>Notes</b>                   | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                                                                                                                                                                                                           |

**Product Application Details**

|                              |                                                                                                                                                                 |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot                                                                                                                                                    |
| <b>Recommended Dilutions</b> | Western Blot                                                                                                                                                    |
| <b>Application Notes</b>     | Antibody reactivity against Recombinant Protein with GST tag on ELISA and WB and also on transfected lysate in WB. GST tag alone is used as a negative control. |

**Images**

Western Blot: MLF2 Antibody [H00008079-D01P] - Analysis of MLF2 expression in transfected 293T cell line by MLF2 polyclonal antibody. Lane 1: MLF2 transfected lysate (28.10 KDa). Lane 2: Non-transfected lysate.
