RNF181 Antibody Pair

| Product Information |                                                                                                                       |
|---------------------|-----------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 1 Set                                                                                                                 |
| Concentration       | Concentration of individual antibodies may be found on the vial label. If unlisted please contact technical services. |
| Storage             | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                          |
| Clonality           | Monoclonal                                                                                                            |
| Preservative        | No Preservative                                                                                                       |
| Buffer              | 1x PBS, pH 7.4                                                                                                        |

| Product Description  |                                                                                                                                                                                                                                                                                                                                                                                       |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description          | <p>Quality control test: Standard curve using recombinant protein (H00051255-P01) as an analyte. This antibody pair set comes with matched antibody pair to detect and quantify protein level of human RNF181.</p> <p>Capture antibody: rabbit MaxPab affinity purified polyclonal anti-RNF181 (100 ug)<br/> Detection antibody: mouse monoclonal anti-RNF181 IgG2a Kappa (20 ug)</p> |
| Gene ID              | 51255                                                                                                                                                                                                                                                                                                                                                                                 |
| Gene Symbol          | RNF181                                                                                                                                                                                                                                                                                                                                                                                |
| Species              | Human                                                                                                                                                                                                                                                                                                                                                                                 |
| Notes                | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                                                                                                                                                                                                                                                    |
| Standard Curve Range | 1 ng/ml to 100 ng/ml                                                                                                                                                                                                                                                                                                                                                                  |
| Assay Type           | Sandwich ELISA                                                                                                                                                                                                                                                                                                                                                                        |

| Product Application Details |                                    |
|-----------------------------|------------------------------------|
| Applications                | Sandwich ELISA                     |
| Recommended Dilutions       | Sandwich ELISA 1 ng/ml - 100 ng/ml |
