| Notes                   | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                                                                                                                                                                                                                                                                                                                                                                             |

| Product Application Details |                                                                                                                                                                                                                                 |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot 1:500, Immunocytochemistry/ Immunofluorescence                                                                                                                                                                     |
| Application Notes           | Antibody reactive against Recombinant Protein with GST tag on ELISA and Western Blot and also on transfected lysate in western blot. GST tag alone is used as a negative control. It has also been used for immunofluorescence. |

## Images

Western Blot: ZNF302 Antibody [H00055900-B01P] - Analysis of ZNF302 expression in transfected 293T cell line by ZNF302 polyclonal antibody. Lane 1: ZNF302 transfected lysate(43.89 KDa). Lane 2: Non-transfected lysate.

Immunocytochemistry/Immunofluorescence: ZNF302 Antibody [H00055900-B01P] - Analysis of purified antibody to ZNF302 on HeLa cell. (antibody concentration 10 ug/ml)
