| Notes                   | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                                                                                                                                                  |

| Product Application Details |                                                                                                                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot 1:500                                                                                                                                                                |
| Application Notes           | Antibody reactive against Recombinant Protein with GST tag on ELISA and Western Blot and also on transfected lysate in western blot. GST tag alone is used as a negative control. |

## Images

Western Blot: RAB22A Antibody [H00057403-B01P] - Analysis of RAB22A expression in transfected 293T cell line by RAB22A polyclonal antibody. Lane 1: RAB22A transfected lysate(21.45 KDa). Lane 2: Non-transfected lysate.
