| Notes                   | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                                                                                                                                                                                                                                                                                        |

| Product Application Details |                                                                                                                        |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                           |
| Application Notes           | This antibody is reactive against tissue and transfected lysate in western blot, and as a detection antibody in ELISA. |

## Images

Western Blot: CRELD2 Antibody [H00079174-B01P] - Analysis of CRELD2 expression in human pancreas.

Western Blot: CRELD2 Antibody [H00079174-B01P] - Analysis of CRELD2 expression in transfected 293T cell line by CRELD2 polyclonal antibody. Lane 1: CRELD2 transfected lysate(35.31 KDa). Lane 2: Non-transfected lysate.
