**H00113612-T01****CYP2U1 293T Cell Transient Overexpression Lysate**

| Product Information |                                                                                                           |
|---------------------|-----------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                    |
| Concentration       | mg/ml                                                                                                     |
| Storage             | Store at -80C. Avoid freeze-thaw cycles.                                                                  |
| Buffer              | 1X Sample Buffer (50 mM Tris-HCl, 2% SDS, 10% glycerol, 300 mM 2-mercaptoethanol, 0.01% Bromophenol blue) |

| Product Description     |                                                                                                                                                           |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description             | Quality control test: Transient overexpression cell lysate was tested with Anti-CYP2U1 antibody by Western Blots. <b>Plasmid:</b> pCMV-CYP2U1 full-length |
| Gene ID                 | 113612                                                                                                                                                    |
| Gene Symbol             | CYP2U1                                                                                                                                                    |
| Species                 | Human                                                                                                                                                     |
| Specificity/Sensitivity | CYP2U1 293T Cell Transient Overexpression Lysate(Denatured)                                                                                               |
| Notes                   | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                        |
| Lysate Type             | 293T Cell Transient Overexpression                                                                                                                        |
| Lysate Protein State    | Denatured                                                                                                                                                 |

| Product Application Details |              |
|-----------------------------|--------------|
| Applications                | Western Blot |
| Recommended Dilutions       | Western Blot |
