| Species                     | Human                                                                                                                                                                                                                                         |
| Specificity/Sensitivity     | HECTD2 - HECT domain containing 2 (3D6)                                                                                                                                                                                                       |
| Immunogen                   | HECTD2 (NP_877497, 331 a.a. ~ 440 a.a) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.<br>HPPLIPYTDIFYNSTLDHIDLMEEYHTWQNFNSHRFSFCQYPFVISVAAKKIIIQR<br>DSEQQMINIARQSLVDKVSRRQRPDMNILFLNMKVRRTHLVSDSLDELTRKRA<br>D |
| Notes                       | This product is produced by and distributed for Abnova, a company based in Taiwan.                                                                                                                                                            |
| Product Application Details |                                                                                                                                                                                                                                               |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                                                              |
| Recommended Dilutions       | Western Blot 1:500, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                                        |
| Application Notes           | Antibody Reactive Against Recombinant Protein with GST tag on ELISA and Western Blot. GST tag alone is used as a negative control.                                                                                                            |

## Images

Immunocytochemistry/Immunofluorescence: HECTD2 Antibody (3D6) [H00143279-M01] - Analysis of monoclonal antibody to HECTD2 on HeLa cell . Antibody concentration 40 ug/ml.

Immunohistochemistry-Paraffin: HECTD2 Antibody (3D6) [H00143279-M01] - Analysis of monoclonal antibody to HECTD2 on formalin-fixed paraffin-embedded human placenta. Antibody concentration 3 ug/ml.
