TCR V beta 8.5 Antibody (B73) [DyLight 350]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.25 ml                                                                                     |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | B73                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 350                                                                                 |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                                                                                                                                         |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                                                                                                                   |
| Gene ID                 | 6957                                                                                                                                                                                                                                                                    |
| Gene Symbol             | TRB                                                                                                                                                                                                                                                                     |
| Species                 | Rat                                                                                                                                                                                                                                                                     |
| Reactivity Notes        | Reacts with Rat.                                                                                                                                                                                                                                                        |
| Specificity/Sensitivity | NB100-64288 is specific for the T-cell receptor V beta 8.5 gene product.4% of unseparated LEW rat lymph node cells label with this. Reactivity is restricted to ab T cells of which 6.5% were stained (1).                                                              |
| Immunogen               | T cell clone expressing the TCR Vb8.5 gene product                                                                                                                                                                                                                      |
| Notes                   | Dylight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                |
|-----------------------------|----------------|
| Applications                | Flow Cytometry |
| Recommended Dilutions       | Flow Cytometry |
