beta Amyloid Antibody

| <b>Product Information</b> |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.05 ml                                                                                |
| <b>Concentration</b>       | This product is unpurified. The exact concentration of antibody is not quantifiable.   |
| <b>Storage</b>             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| <b>Clonality</b>           | Polyclonal                                                                             |
| <b>Preservative</b>        | 0.09% Sodium Azide                                                                     |
| <b>Isotype</b>             | IgG                                                                                    |
| <b>Purity</b>              | Unpurified                                                                             |
| <b>Buffer</b>              | Whole antisera                                                                         |

| <b>Product Description</b> |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| <b>Host</b>                | Rabbit                                                                                     |
| <b>Gene ID</b>             | 351                                                                                        |
| <b>Gene Symbol</b>         | APP                                                                                        |
| <b>Species</b>             | Human                                                                                      |
| <b>Reactivity Notes</b>    | Reacts with Human.                                                                         |
| <b>Immunogen</b>           | Synthetic peptide corresponding to amino acid sequence 1-14 of human Amyloid Beta protein. |

| <b>Product Application Details</b> |                                                                                               |
|------------------------------------|-----------------------------------------------------------------------------------------------|
| <b>Applications</b>                | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                    |
| <b>Recommended Dilutions</b>       | ELISA 1:100-1:2000, Immunohistochemistry 1:10-1:500, Immunohistochemistry-Paraffin 1:10-1:500 |
