Yersinia Pestis V Antigen Antibody (Va48)

| Product Information         |                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.2 mg                                                                                                           |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C. Do not freeze.                                                                                      |
| Clonality                   | Monoclonal                                                                                                       |
| Clone                       | Va48                                                                                                             |
| Preservative                | 0.09% Sodium Azide                                                                                               |
| Isotype                     | IgG1                                                                                                             |
| Purity                      | Protein G purified                                                                                               |
| Buffer                      | PBS (pH 7.4)                                                                                                     |
| Product Description         |                                                                                                                  |
| Host                        | Mouse                                                                                                            |
| Species                     | Bacteria                                                                                                         |
| Reactivity Notes            | Bacteria.                                                                                                        |
| Specificity/Sensitivity     | Y. pestis, V antigen                                                                                             |
| Immunogen                   | Y. pestis, V antigen                                                                                             |
| Product Application Details |                                                                                                                  |
| Applications                | Western Blot, ELISA, Sandwich ELISA                                                                              |
| Recommended Dilutions       | Western Blot 1:100-1:2000, ELISA 1:100-1:2000, Sandwich ELISA 1:100-1:2000                                       |
| Application Notes           | Recommended pair for sandwich immunoassay (capture-detection): <a href="#">NB100-73227</a> - NB100-73229         |
