**NBP1-03329**

DR1 Antibody - BSA Free

**Product Information**

|                      |                                       |
|----------------------|---------------------------------------|
| <b>Unit Size</b>     | 100 ul                                |
| <b>Concentration</b> | 1.0 mg/ml                             |
| <b>Storage</b>       | Store at 4C. Do not freeze.           |
| <b>Clonality</b>     | Polyclonal                            |
| <b>Preservative</b>  | 0.09% Sodium Azide                    |
| <b>Isotype</b>       | IgG                                   |
| <b>Purity</b>        | Immunogen affinity purified           |
| <b>Buffer</b>        | Tris-Citrate/Phosphate (pH 7.0 - 8.0) |

**Product Description**

|                    |                                                                                                                                                                                               |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                                                                                                        |
| <b>Gene ID</b>     | 1810                                                                                                                                                                                          |
| <b>Gene Symbol</b> | DR1                                                                                                                                                                                           |
| <b>Species</b>     | Human                                                                                                                                                                                         |
| <b>Immunogen</b>   | The immunogen recognized by this antibody maps to a region between residue 25 and 75 of human down-regulator of transcription 1 using the numbering given in entry NP_001929.1 (GeneID 1810). |

**Product Application Details**

|                              |                                                                                          |
|------------------------------|------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunoprecipitation (Negative)                                             |
| <b>Recommended Dilutions</b> | Western Blot 1:2000-1:5000, Immunoprecipitation (Negative)                               |
| <b>Application Notes</b>     | This antibody is useful for western blot. It is not recommended for immunoprecipitation. |
