**NBP1-06550****RAGEF2 Antibody**

| Product Information |                             |
|---------------------|-----------------------------|
| Unit Size           | 0.1 ml                      |
| Concentration       | 0.2 mg/ml                   |
| Storage             | Store at 4C. Do not freeze. |
| Clonality           | Polyclonal                  |
| Preservative        | 0.09% Sodium Azide          |
| Isotype             | IgG                         |
| Purity              | Immunogen affinity purified |
| Buffer              | TBS and 0.1% BSA            |

| Product Description |                                                                                                                                                                                                                                 |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                                                                                                                          |
| Gene ID             | 51735                                                                                                                                                                                                                           |
| Gene Symbol         | RAGEF6                                                                                                                                                                                                                          |
| Species             | Human                                                                                                                                                                                                                           |
| Immunogen           | The immunogen recognized by this antibody maps to a region between residue 625 and 675 of human PDZ domain containing guanine nucleotide exchange factor (GEF) 2 using the numbering given in entry NP_057424.2 (GeneID 51735). |

| Product Application Details |                                                           |
|-----------------------------|-----------------------------------------------------------|
| Applications                | Western Blot, Immunoprecipitation                         |
| Recommended Dilutions       | Western Blot 1:100-1:2000, Immunoprecipitation 1:10-1:500 |

**Images**

Western Blot: RAGEF2 Antibody [NBP1-06550] - Whole cell lysate from HeLa cells. PDZ-GEF2 was also immunoprecipitated by rabbit anti-PDZ-GEF2 antibody NBP1-06550.
