ETV1 Antibody (1C8B6) - BSA Free

| Product Information |                                                                                        |
|---------------------|----------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                 |
| Concentration       | This product is unpurified. The exact concentration of antibody is not quantifiable.   |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| Clonality           | Monoclonal                                                                             |
| Clone               | 1C8B6                                                                                  |
| Preservative        | 0.03% Sodium Azide                                                                     |
| Isotype             | IgG1                                                                                   |
| Purity              | Unpurified                                                                             |
| Buffer              | Ascites                                                                                |

| Product Description     |                                                                       |
|-------------------------|-----------------------------------------------------------------------|
| Host                    | Mouse                                                                 |
| Gene ID                 | 2115                                                                  |
| Gene Symbol             | ETV1                                                                  |
| Species                 | Human                                                                 |
| Specificity/Sensitivity | Specific for ETV1.                                                    |
| Immunogen               | Purified recombinant fragment of ETV1 (aa1-191) expressed in E. Coli. |

| Product Application Details |                                            |
|-----------------------------|--------------------------------------------|
| Applications                | Western Blot, ELISA                        |
| Recommended Dilutions       | Western Blot 1:500 - 1:2000, ELISA 1:10000 |

## Images

Western Blot: ER81 Antibody (1C8B6) [NBP1-28868] - Analysis using ETV1 mouse mAb against HEK293T cells transfected with the pCMV6-ENTRY control (1) and pCMV6-ENTRY ETV1 cDNA (2).

Western Blot: ER81 Antibody (1C8B6) [NBP1-28868] - Analysis using ETV1 mouse mAb against truncated Trx-ETV1 recombinant protein (1) and full-length ETV1 (aa1-477)-hIgGFc transfected CHO-K1 cell lysate (2).
