**NBP1-30442****V5 Epitope Tag Antibody [Agarose]**

| <b>Product Information</b>         |                                                                                                                                                                 |
|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 mg                                                                                                                                                          |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                     |
| <b>Storage</b>                     | Store at 4C. Do not freeze.                                                                                                                                     |
| <b>Clonality</b>                   | Polyclonal                                                                                                                                                      |
| <b>Preservative</b>                | 0.09% Sodium Azide                                                                                                                                              |
| <b>Isotype</b>                     | IgG                                                                                                                                                             |
| <b>Conjugate</b>                   | Agarose                                                                                                                                                         |
| <b>Purity</b>                      | Immunogen affinity purified                                                                                                                                     |
| <b>Buffer</b>                      | PBS                                                                                                                                                             |
| <b>Product Description</b>         |                                                                                                                                                                 |
| <b>Host</b>                        | Rabbit                                                                                                                                                          |
| <b>Species</b>                     | Epitope Tag                                                                                                                                                     |
| <b>Reactivity Notes</b>            | Mouse reactivity reported in scientific literature (PMID: 29017057).                                                                                            |
| <b>Immunogen</b>                   | Rabbits were immunized with a synthetic peptide representing amino acid residues 95 to 108 of RNA polymerase alpha subunit of simion virus 5 conjugated to KLH. |
| <b>Product Application Details</b> |                                                                                                                                                                 |
| <b>Applications</b>                | Immunohistochemistry, Immunoprecipitation                                                                                                                       |
| <b>Recommended Dilutions</b>       | Immunohistochemistry, Immunoprecipitation 1:10-1:500                                                                                                            |
| <b>Application Notes</b>           | Use in Immunohistochemistry reported in scientific literature (PMID: 23785054)                                                                                  |
