## FbxL12 Antibody - BSA Free

### NBP1-31021

Unit Size: 100 ul

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

| Preservative                | 0.01% Thimerosal                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                   |
| Purity                      | Antigen Affinity-purified                                                                                                                             |
| Buffer                      | PBS, 10% Glycerol                                                                                                                                     |
| Target Molecular Weight     | 37 kDa                                                                                                                                                |
| Product Description         |                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                |
| Gene ID                     | 54850                                                                                                                                                 |
| Gene Symbol                 | FBXL12                                                                                                                                                |
| Species                     | Human, Mouse                                                                                                                                          |
| Immunogen                   | Carrier-protein conjugated synthetic peptide encompassing a sequence within the C-terminus region of human FbxL12. The exact sequence is proprietary. |
| Product Application Details |                                                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                     |
| Recommended Dilutions       | Western Blot 1:500-1:3000, Immunohistochemistry 1:100-1:1000, Immunohistochemistry-Paraffin 1:100-1:1000                                              |

## Images

Western Blot: FbxL12 Antibody [NBP1-31021] - Sample (30 ug of whole cell lysate) A: Hep G2 10% SDS PAGE; antibody diluted at 1:1000.

Immunohistochemistry-Paraffin: FbxL12 Antibody [NBP1-31021] - Paraffin-embedded SW480 xenograft, using antibody at 1:500 dilution.

Western Blot: FbxL12 Antibody [NBP1-31021] - Whole cell extract (30 ug) was separated by 12% SDS-PAGE, and the membrane was blotted with FbxL12 antibody [C2C3], C-term (NBP1-31021) diluted at 1:1000. The HRP-conjugated anti-rabbit IgG antibody was used to detect the primary antibody.
