**NBP1-31077**

GRASP1 Antibody - BSA Free

**Product Information**

|                      |                                                                                                                  |
|----------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                                           |
| <b>Concentration</b> | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>     | Polyclonal                                                                                                       |
| <b>Preservative</b>  | 0.01% Thimerosal                                                                                                 |
| <b>Isotype</b>       | IgG                                                                                                              |
| <b>Purity</b>        | Antigen Affinity-purified                                                                                        |
| <b>Buffer</b>        | 0.1M Tris (pH 7), 0.1M Glycine, 10% Glycerol                                                                     |

**Product Description**

|                    |                                                                                                                                                                                        |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit GRASP1 Antibody - BSA Free (NBP1-31077) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                 |
| <b>Gene ID</b>     | 56850                                                                                                                                                                                  |
| <b>Gene Symbol</b> | GRIPAP1                                                                                                                                                                                |
| <b>Species</b>     | Human                                                                                                                                                                                  |
| <b>Immunogen</b>   | Carrier-protein conjugated synthetic peptide encompassing a sequence within the center region of human GRASP1. The exact sequence is proprietary.                                      |

**Product Application Details**

|                              |                           |
|------------------------------|---------------------------|
| <b>Applications</b>          | Western Blot              |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:3000 |

**Images**

Western Blot: GRASP1 Antibody [NBP1-31077] - Sample (30 ug of whole cell lysate) A: HepG2 7. 5% SDS PAGE, antibody diluted at 1:500.
