## DUSP19 Antibody - BSA Free

### NBP1-32399

Unit Size: 100 ul

Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.

| Buffer                      | 0.1M Tris (pH 7), 0.1M Glycine, 10% Glycerol                                                                                                                                                   |
| Target Molecular Weight     | 24 kDa                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                |
| Description                 | Novus Biologicals Rabbit DUSP19 Antibody - BSA Free (NBP1-32399) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                         |
| Gene ID                     | 142679                                                                                                                                                                                         |
| Gene Symbol                 | DUSP19                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                          |
| Reactivity Notes            | Mouse (82%).                                                                                                                                                                                   |
| Immunogen                   | Recombinant protein encompassing a sequence within the center region of human DUSP19. The exact sequence is proprietary.                                                                       |
| Product Application Details |                                                                                                                                                                                                |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                              |
| Recommended Dilutions       | Western Blot 1:500-1:3000, Immunohistochemistry 1:100-1:1000, Immunohistochemistry-Paraffin 1:100-1:1000                                                                                       |

## Images

Immunohistochemistry-Paraffin: DUSP19 Antibody [NBP1-32399] - Normal liver. DUSP19 antibody dilution: 1:500. Antigen Retrieval: Trilogy™ (EDTA based, pH 8.0) buffer, 15min.

Western Blot: DUSP19 Antibody [NBP1-32399] - Whole cell extract (30 ug) was separated by 12% SDS-PAGE, and the membrane was blotted with DUSP19 antibody (NBP1-32399) diluted at 1:500. The HRP-conjugated anti-rabbit IgG antibody was used to detect the primary antibody.
