TBX2 Antibody

| Product Information     |                                                                                                                  |
|-------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size               | 100 ul                                                                                                           |
| Concentration           | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                     |
| Clonality               | Polyclonal                                                                                                       |
| Preservative            | 0.01% Thimerosal                                                                                                 |
| Isotype                 | IgG                                                                                                              |
| Purity                  | Immunogen affinity purified                                                                                      |
| Buffer                  | 0.1M Tris (pH 7), 0.1M Glycine, 20% Glycerol                                                                     |
| Target Molecular Weight | 75 kDa                                                                                                           |

| Product Description |                                                                                                                        |
|---------------------|------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                 |
| Gene ID             | 6909                                                                                                                   |
| Gene Symbol         | TBX2                                                                                                                   |
| Species             | Human                                                                                                                  |
| Reactivity Notes    | Xenopus laevis (98%).                                                                                                  |
| Immunogen           | Recombinant protein encompassing a sequence within the center region of human TBX2. The exact sequence is proprietary. |

| Product Application Details |                           |
|-----------------------------|---------------------------|
| Applications                | Western Blot              |
| Recommended Dilutions       | Western Blot 1:500-1:3000 |

**Images**

Western Blot: TBX2 Antibody [NBP1-33551] - Sample (30 ug of whole cell lysate) A: Hep G2 7. 5% SDS PAGE; antibody diluted at 1:1000.
