|----------------------|----------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.05 mg                                                                                |
| <b>Concentration</b> | 0.5 mg/ml                                                                              |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| <b>Clonality</b>     | Polyclonal                                                                             |
| <b>Preservative</b>  | 0.01% Sodium Azide                                                                     |
| <b>Isotype</b>       | IgG                                                                                    |
| <b>Purity</b>        | Immunogen affinity purified                                                            |
| <b>Buffer</b>        | PBS and 50% Glycerol                                                                   |

**Product Description**

|                                |                                                                                                                 |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Host</b>                    | Rabbit                                                                                                          |
| <b>Gene ID</b>                 | 84100                                                                                                           |
| <b>Gene Symbol</b>             | ARL6                                                                                                            |
| <b>Species</b>                 | Human                                                                                                           |
| <b>Specificity/Sensitivity</b> | Synthetic peptide corresponding to N-terminal residues of human ARL6 (ADP-ribosylation factor- like protein 6). |
| <b>Immunogen</b>               | Synthetic peptide from human ARL6.                                                                              |

**Product Application Details**

|                              |                                                                                                   |
|------------------------------|---------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                          |
| <b>Recommended Dilutions</b> | Western Blot 1 ug/ml, ELISA 1 ug/ml, Immunohistochemistry, Immunohistochemistry-Paraffin 10 ug/ml |
