RbBP5 Antibody

| Product Information |                                          |
|---------------------|------------------------------------------|
| Unit Size           | 0.1 mg                                   |
| Concentration       | 0.5 mg/ml                                |
| Storage             | Store at -20C. Avoid freeze-thaw cycles. |
| Clonality           | Polyclonal                               |
| Preservative        | 0.01% Thimerosal                         |
| Isotype             | IgG                                      |
| Purity              | Immunogen affinity purified              |
| Buffer              | PBS, 0.5% BSA and 30% Glycerol           |

| Product Description |                                                                                        |
|---------------------|----------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                 |
| Gene ID             | 5929                                                                                   |
| Gene Symbol         | RBBP5                                                                                  |
| Species             | Human, Mouse, Rat                                                                      |
| Immunogen           | Synthetic peptide corresponding to residues surrounding amino acids 504 of mouse RbBP5 |

| Product Application Details |              |
|-----------------------------|--------------|
| Applications                | Western Blot |
| Recommended Dilutions       | Western Blot |
