Aurora A Antibody [DyLight 550]

| Product Information         |                                                                                                                                |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                    |
| Storage                     | Store at 4C in the dark.                                                                                                       |
| Clonality                   | Polyclonal                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                             |
| Isotype                     | IgG                                                                                                                            |
| Conjugate                   | DyLight 550                                                                                                                    |
| Purity                      | Immunogen affinity purified                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                             |
| Product Description         |                                                                                                                                |
| Host                        | Rabbit                                                                                                                         |
| Gene ID                     | 6790                                                                                                                           |
| Gene Symbol                 | AURKA                                                                                                                          |
| Species                     | Human, Mouse                                                                                                                   |
| Marker                      | Mitosis Marker                                                                                                                 |
| Immunogen                   | A recombinant protein made to an N-terminal region of the human Aurora A protein (within residues 50-200). [Swiss-Prot O14965] |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                              |
| Product Application Details |                                                                                                                                |
| Applications                | Western Blot, Simple Western, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin     |
| Recommended Dilutions       | Western Blot, Simple Western, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                         |
