DDX55 Antibody

| Product Information |                                       |
|---------------------|---------------------------------------|
| Unit Size           | 100 ul                                |
| Concentration       | 1.0 mg/ml                             |
| Storage             | Store at 4C. Do not freeze.           |
| Clonality           | Polyclonal                            |
| Preservative        | 0.09% Sodium Azide                    |
| Isotype             | IgG                                   |
| Purity              | Immunogen affinity purified           |
| Buffer              | Tris-Citrate/Phosphate (pH 7.0 - 8.0) |

| Product Description |                                                                                                                                                                                               |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                                                                                        |
| Gene ID             | 57696                                                                                                                                                                                         |
| Gene Symbol         | DDX55                                                                                                                                                                                         |
| Species             | Human                                                                                                                                                                                         |
| Immunogen           | The immunogen for this product maps to a region between residue 175 and 225 of human DEAD (Asp-Glu-Ala-Asp) box polypeptide 55 using the numbering given in entry NP_065987.1 (GeneID 57696). |

| Product Application Details |                                                             |
|-----------------------------|-------------------------------------------------------------|
| Applications                | Western Blot, Immunoprecipitation                           |
| Recommended Dilutions       | Western Blot 1:2000-1:10000, Immunoprecipitation 2-5 mcg/mg |
