| <b>Gene ID</b>                     | 22905                                                                                                                                                                                                                                       |
| <b>Gene Symbol</b>                 | EPN2                                                                                                                                                                                                                                        |
| <b>Species</b>                     | Human                                                                                                                                                                                                                                       |
| <b>Immunogen</b>                   | Synthetic peptides corresponding to EPN2(epsin 2) The peptide sequence was selected from the middle region of EPN2. Peptide sequence SHSEQEYKGAGGSPASYHGSTSPRVSSSELEQARPQTSGEEELQLQLALAM.                                                   |
| <b>Notes</b>                       | The addition of 50% glycerol is optional for those storing this antibody at -20C and not aliquoting smaller units. However, please note that glycerol may interrupt some downstream antibody applications and should be added with caution. |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                             |
| <b>Applications</b>                | Western Blot                                                                                                                                                                                                                                |
| <b>Recommended Dilutions</b>       | Western Blot 1:100-1:2000                                                                                                                                                                                                                   |
| <b>Application Notes</b>           | This is a rabbit polyclonal antibody against EPN2 and was validated on Western blot.                                                                                                                                                        |
