| Buffer                      | PBS, 2% Sucrose                                                                                                                                                                                                                                                                                                                          |
| Target Molecular Weight     | 130 kDa                                                                                                                                                                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                                                                                                                                                          |
| Description                 | The addition of 50% glycerol is optional for those storing this antibody at -20C and not aliquoting smaller units. However, please note that glycerol may interrupt some downstream antibody applications and should be added with caution.                                                                                              |
| Host                        | Rabbit                                                                                                                                                                                                                                                                                                                                   |
| Gene ID                     | 5523                                                                                                                                                                                                                                                                                                                                     |
| Gene Symbol                 | PPP2R3A                                                                                                                                                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                                                                                                                                                    |
| Specificity/Sensitivity     | This product is specific to Subunit or Isoform: B.                                                                                                                                                                                                                                                                                       |
| Immunogen                   | Synthetic peptides corresponding to PPP2R3A(protein phosphatase 2 (formerly 2A), regulatory subunit B", alpha) The peptide sequence was selected from the N terminal of PPP2R3A. Peptide sequence SSSVEEKPLSHRNSLDTNLTSMFLQNFSEEDLVTQILEKHKIDNFSSGTD The peptide sequence for this immunogen was taken from within the described region. |
| Product Application Details |                                                                                                                                                                                                                                                                                                                                          |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                                                                                                                                        |
| Recommended Dilutions       | Western Blot 1.0 ug/ml, Immunohistochemistry 1:10-1:500, Immunohistochemistry-Paraffin 1:10-1:500                                                                                                                                                                                                                                        |

## Images

Western Blot: PPP2R3A Antibody [NBP1-54581] - 293T cell lysate,  
Antibody Titration: 0.2-1 ug/ml.

Immunohistochemistry-Paraffin: PPP2R3A Antibody [NBP1-54581] -  
Human placenta tissue at an antibody concentration of 5ug/ml.
