| Buffer                      | PBS                                                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                                                               |
| Gene ID                     | 84236                                                                                                                                                                                                                |
| Gene Symbol                 | RHBDD1                                                                                                                                                                                                               |
| Species                     | Human, Mouse                                                                                                                                                                                                         |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Rat (86%)                                                                                                                   |
| Immunogen                   | Antibody was raised against a 14 amino acid synthetic peptide from near the carboxy terminus of human RHBDD1. The immunogen is located within the last 50 amino acids of RHBDD1. Amino Acid Sequence: WDRGNTRNSPPPYG |
| Product Application Details |                                                                                                                                                                                                                      |
| Applications                | Western Blot, ELISA                                                                                                                                                                                                  |
| Recommended Dilutions       | Western Blot 1 ug/ml, ELISA 1:100-1:2000                                                                                                                                                                             |
