| Purity                      | Immunogen affinity purified                                                                                                             |
| Buffer                      | PBS                                                                                                                                     |
| Product Description         |                                                                                                                                         |
| Host                        | Rabbit                                                                                                                                  |
| Gene ID                     | 4142                                                                                                                                    |
| Gene Symbol                 | MAS1                                                                                                                                    |
| Species                     | Human, Mouse, Rat, Primate, Rabbit                                                                                                      |
| Reactivity Notes            | Use in Rat reported in scientific literature (PMID:34558543). Rabbit reactivity reported in the scientific literature (PMID: 23701246). |
| Immunogen                   | A synthetic peptide made to an internal portion of the human MAS1 protein (between residues 75-125) [Uniprot: P04201]                   |
| Product Application Details |                                                                                                                                         |
| Applications                | Western Blot, Simple Western, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin              |
| Recommended Dilutions       | Western Blot, Simple Western, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                  |
