**NBP1-78750**

FAM62A Antibody - BSA Free

**Product Information**

|                      |                                       |
|----------------------|---------------------------------------|
| <b>Unit Size</b>     | 100 ul                                |
| <b>Concentration</b> | 1.0 mg/ml                             |
| <b>Storage</b>       | Store at 4C. Do not freeze.           |
| <b>Clonality</b>     | Polyclonal                            |
| <b>Preservative</b>  | 0.09% Sodium Azide                    |
| <b>Isotype</b>       | IgG                                   |
| <b>Purity</b>        | Immunogen affinity purified           |
| <b>Buffer</b>        | Tris-Citrate/Phosphate (pH 7.0 - 8.0) |

**Product Description**

|                    |                                                                                                                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                                                                                                    |
| <b>Gene ID</b>     | 23344                                                                                                                                                                                     |
| <b>Gene Symbol</b> | ESYT1                                                                                                                                                                                     |
| <b>Species</b>     | Human                                                                                                                                                                                     |
| <b>Immunogen</b>   | The immunogen for this product maps to a region between residue 350 and 400 of human Extended Synaptotagmin-like Protein 1 using the numbering given in entry NP_056107.1 (GeneID 23344). |

**Product Application Details**

|                              |                                                             |
|------------------------------|-------------------------------------------------------------|
| <b>Applications</b>          | Immunoprecipitation                                         |
| <b>Recommended Dilutions</b> | Immunoprecipitation 2-10 mcg/mg lysate                      |
| <b>Application Notes</b>     | This antibody is not recommended for Western Blot analysis. |

**Images**

Immunoprecipitation: FAM62A Antibody [NBP1-78750] - Whole cell lysate (1 mg for IP, 20% of IP loaded) from HeLa cells. Affinity purified rabbit anti-E-Syt1 antibody used for IP at 6 mcg/mg lysate. E-Syt1 was also immunoprecipitated by rabbit anti-E-Syt1 antibody NBP1-78751 which recognizes a downstream epitope.
