RBM46 Antibody - BSA Free

| Product Information |                                                                                        |
|---------------------|----------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                 |
| Concentration       | 0.5 mg/ml                                                                              |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| Clonality           | Polyclonal                                                                             |
| Preservative        | 0.09% Sodium Azide                                                                     |
| Isotype             | IgG                                                                                    |
| Purity              | Affinity purified                                                                      |
| Buffer              | PBS, 2% Sucrose                                                                        |

| Product Description |                                                                                                                                                                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | The addition of 50% glycerol is optional for those storing this antibody at -20C and not aliquoting smaller units. However, please note that glycerol may interrupt some downstream antibody applications and should be added with caution. |
| Host                | Rabbit                                                                                                                                                                                                                                      |
| Gene ID             | 166863                                                                                                                                                                                                                                      |
| Gene Symbol         | RBM46                                                                                                                                                                                                                                       |
| Species             | Human                                                                                                                                                                                                                                       |
| Immunogen           | Synthetic peptide directed towards the N terminal of human MGC27016. Peptide sequence<br>LNNYEIRPGKFIGVCVSLDNCRLFIGAIPKEKKKEEILDEMKKVTEGVVD. The peptide sequence for this immunogen was taken from within the described region.            |

| Product Application Details |                                                                                                   |
|-----------------------------|---------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                 |
| Recommended Dilutions       | Western Blot 1.0 ug/ml, Immunohistochemistry 1:10-1:500, Immunohistochemistry-Paraffin 1:10-1:500 |

## Images

Western Blot: RBM46 Antibody [NBP1-80475] - Jurkat cell lysate,  
Antibody Titration: 0.2-1 ug/ml

Immunohistochemistry-Paraffin: RBM46 Antibody [NBP1-80475] -  
Human kidney Tissue, antibody concentration 4-8ug/ml. Cells with  
positive label: renal corpuscle cells (indicated with arrows) 400X  
magnification.
