PAFAH2 Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Immunogen affinity purified                                                                                      |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit PAFAH2 Antibody - BSA Free (NBP1-81687) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee.                   |
| Host                | Rabbit                                                                                                                                                                                                           |
| Gene ID             | 5051                                                                                                                                                                                                             |
| Gene Symbol         | PAFAH2                                                                                                                                                                                                           |
| Species             | Human                                                                                                                                                                                                            |
| Immunogen           | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>RGFVVAVPEHRDRSAATTYFCKQAPEENQPTNESLQEEWIPFRRVEEGEKEF<br>HVRNPQVHQRVSECLRVLKILQEVTAGQTVFNILPGGLDLMTLKGNIIDMSRVAV<br>MGHS |

| Product Application Details |                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                        |
| Recommended Dilutions       | Western Blot 0.04-0.4 ug/ml, Immunohistochemistry 1:20 - 1:50, Immunohistochemistry-Paraffin 1:20 - 1:50 |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.                                                    |

## Images

Western Blot: PAFAH2 Antibody [NBP1-81687] - Analysis in control (vector only transfected HEK293T lysate) and PAFAH2 over-expression lysate (Co-expressed with a C-terminal myc-DDK tag (3.1 kDa) in mammalian HEK293T cells).

Immunohistochemistry-Paraffin: PAFAH2 Antibody [NBP1-81687] - Staining of human cerebral cortex shows strong positivity in neurons.
