**NBP1-83282**

FAM119A Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Immunogen affinity purified                                                                                      |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                          |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit FAM119A Antibody - BSA Free (NBP1-83282) is a polyclonal antibody validated for use in IHC. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                   |
| Gene ID             | 151194                                                                                                                                                                                   |
| Gene Symbol         | METTL21A                                                                                                                                                                                 |
| Species             | Human                                                                                                                                                                                    |
| Reactivity Notes    | Immunogen displays the following percentage of sequence identity for non-tested species: Mouse (86%), Rat (86%)                                                                          |
| Immunogen           | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>EHLCSNHSVILLACRIRYERDNNFLAMLERQFIVRKVHYDPEKDVHIYEAQKRN<br>QKEDL                                 |

| Product Application Details |                                                                               |
|-----------------------------|-------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, Immunohistochemistry                           |
| Recommended Dilutions       | Immunohistochemistry 1:50 - 1:200, Immunohistochemistry-Paraffin 1:50 - 1:200 |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.                         |

## Images

Immunohistochemistry-Paraffin: FAM119A Antibody [NBP1-83282] - Staining of human placenta shows strong cytoplasmic positivity in trophoblastic cells.

Immunohistochemistry-Paraffin: FAM119A Antibody [NBP1-83282] - Staining of human duodenum shows strong cytoplasmic positivity in glandular cells.

Immunohistochemistry-Paraffin: FAM119A Antibody [NBP1-83282] - Staining of human testis shows weak to moderate cytoplasmic positivity in cells in seminiferous ducts.

Immunohistochemistry-Paraffin: FAM119A Antibody [NBP1-83282] - Staining of human skeletal muscle shows no positivity in myocytes.
