

# Product Datasheet

## CD99-L2 Antibody - BSA Free

### NBP1-85738

Unit Size: 0.1 ml

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

|----------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                                           |
| <b>Concentration</b> | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>     | Polyclonal                                                                                                       |
| <b>Preservative</b>  | 0.02% Sodium Azide                                                                                               |
| <b>Isotype</b>       | IgG                                                                                                              |
| <b>Purity</b>        | Immunogen affinity purified                                                                                      |
| <b>Buffer</b>        | PBS (pH 7.2) and 40% Glycerol                                                                                    |

**Product Description**

|                         |                                                                                                                                                                                                                                         |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Novus Biologicals Rabbit CD99-L2 Antibody - BSA Free (NBP1-85738) is a polyclonal antibody validated for use in IHC. Anti-CD99-L2 Antibody: Cited in 1 publication. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>             | Rabbit                                                                                                                                                                                                                                  |
| <b>Gene ID</b>          | 83692                                                                                                                                                                                                                                   |
| <b>Gene Symbol</b>      | CD99L2                                                                                                                                                                                                                                  |
| <b>Species</b>          | Human                                                                                                                                                                                                                                   |
| <b>Reactivity Notes</b> | Reactivity reported in scientific literature (PMID: 23435261)                                                                                                                                                                           |
| <b>Immunogen</b>        | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>DDRNRDDGRRKPIAGGGGFSDKLEDIVGGGEYKPDKGKGDGRYGSNDP<br>GSGMVAEP                                                                                   |

**Product Application Details**

|                              |                                                                             |
|------------------------------|-----------------------------------------------------------------------------|
| <b>Applications</b>          | Immunohistochemistry-Paraffin, Immunohistochemistry                         |
| <b>Recommended Dilutions</b> | Immunohistochemistry 1:20 - 1:50, Immunohistochemistry-Paraffin 1:20 - 1:50 |
| <b>Application Notes</b>     | For IHC-Paraffin, HIER pH 6 retrieval is recommended.                       |

## Images

Immunohistochemistry-Paraffin: CD99-L2 Antibody [NBP1-85738] - Staining in human cerebral cortex and tonsil tissues using anti-CD99L2 antibody. Corresponding CD99L2 RNA-seq data are presented for the same tissues.

Immunohistochemistry-Paraffin: CD99-L2 Antibody [NBP1-85738] - Staining of human cerebral cortex shows high expression.

Immunohistochemistry-Paraffin: CD99-L2 Antibody [NBP1-85738] - Staining of human tonsil shows low expression as expected.
