

# Product Datasheet

## SLC35F1 Antibody - BSA Free

### NBP1-86755

Unit Size: 0.1 ml

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

**NBP1-86755**

SLC35F1 Antibody - BSA Free

**Product Information**

|                      |                                                                                                                  |
|----------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                                           |
| <b>Concentration</b> | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>     | Polyclonal                                                                                                       |
| <b>Preservative</b>  | 0.02% Sodium Azide                                                                                               |
| <b>Isotype</b>       | IgG                                                                                                              |
| <b>Purity</b>        | Immunogen affinity purified                                                                                      |
| <b>Buffer</b>        | PBS (pH 7.2) and 40% Glycerol                                                                                    |

**Product Description**

|                    |                                                                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit SLC35F1 Antibody - BSA Free (NBP1-86755) is a polyclonal antibody validated for use in IHC and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                              |
| <b>Gene ID</b>     | 222553                                                                                                                                                                                              |
| <b>Gene Symbol</b> | SLC35F1                                                                                                                                                                                             |
| <b>Species</b>     | Human                                                                                                                                                                                               |
| <b>Immunogen</b>   | This antibody was developed against Recombinant Protein corresponding to amino acids: RYKQFRNPSGPVVDLPTTAQVEPSVTYTSLGQETEEEPHVRVA                                                                   |

**Product Application Details**

|                              |                                                                                                                                     |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Immunohistochemistry-Paraffin, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                        |
| <b>Recommended Dilutions</b> | Immunohistochemistry 1:50 - 1:200, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:50 - 1:200 |
| <b>Application Notes</b>     | For IHC-Paraffin, HIER pH 6 retrieval is recommended. ICC/IF Fixation Permeabilization: Use PFA/Triton X-100.                       |

## Images

Immunocytochemistry/Immunofluorescence: SLC35F1 Antibody [NBP1-86755] - Staining of human cell line U-251 MG shows localization to nucleoplasm and cytosol. Antibody staining is shown in green.

Immunohistochemistry-Paraffin: SLC35F1 Antibody [NBP1-86755] - Staining in human cerebral cortex and lymph node tissues using anti-SLC35F1 antibody. Corresponding SLC35F1 RNA-seq data are presented for the same tissues.

Immunohistochemistry-Paraffin: SLC35F1 Antibody [NBP1-86755] - Staining of human cerebral cortex shows high expression.

Immunohistochemistry-Paraffin: SLC35F1 Antibody [NBP1-86755] - Staining of human lymph node shows low expression as expected.
