| Purity                      | Immunogen affinity purified                                                                                                                                                            |
| Buffer                      | PBS (pH 7.2) and 40% Glycerol                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                        |
| Description                 | Novus Biologicals Rabbit LACTB Antibody - BSA Free (NBP1-91700) is a polyclonal antibody validated for use in IHC. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                 |
| Gene ID                     | 114294                                                                                                                                                                                 |
| Gene Symbol                 | LACTB                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                  |
| Immunogen                   | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>NSNENLLPGYLKPETMVMWTPVPNTMSWDKEGKYAMAWGVVEKKQTYG<br>SCRKQRHYASHTGGAVGASSVLLVLPEELDTETINNKVP   |
| Product Application Details |                                                                                                                                                                                        |
| Applications                | Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                                    |
| Recommended Dilutions       | Immunohistochemistry 1:50 - 1:200, Immunohistochemistry-Paraffin 1:50 - 1:200                                                                                                          |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.                                                                                                                                  |

## Images

Immunohistochemistry-Paraffin: Beta Lactamase Antibody [NBP1-91700]  
- Staining of human testis shows high expression.

Immunohistochemistry-Paraffin: Beta Lactamase Antibody [NBP1-91700]  
- Staining of human adrenal gland shows strong cytoplasmic positivity in glandular cells.

Immunohistochemistry-Paraffin: Beta Lactamase Antibody [NBP1-91700]  
- Staining of human pancreas shows low expression as expected.

Immunohistochemistry-Paraffin: Beta Lactamase Antibody [NBP1-91700]  
- Staining in human testis and pancreas tissues using anti-LACTB antibody. Corresponding LACTB RNA-seq data are presented for the same tissues.
