**NBP2-12787**

PCF11 Antibody - BSA Free

**Product Information**

|                      |                                       |
|----------------------|---------------------------------------|
| <b>Unit Size</b>     | 100 ul                                |
| <b>Concentration</b> | 1.0 mg/ml                             |
| <b>Storage</b>       | Store at 4C. Do not freeze.           |
| <b>Clonality</b>     | Polyclonal                            |
| <b>Preservative</b>  | 0.09% Sodium Azide                    |
| <b>Isotype</b>       | IgG                                   |
| <b>Purity</b>        | Immunogen affinity purified           |
| <b>Buffer</b>        | Tris-Citrate/Phosphate (pH 7.0 - 8.0) |

**Product Description**

|                    |                                                                                                                                                                                                                |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                                                                                                                         |
| <b>Gene ID</b>     | 51585                                                                                                                                                                                                          |
| <b>Gene Symbol</b> | PCF11                                                                                                                                                                                                          |
| <b>Species</b>     | Human                                                                                                                                                                                                          |
| <b>Immunogen</b>   | The immunogen this antibody was made to, maps to a region between residue 1505 and 1555 of human Cleavage and Polyadenylation Factor II Subunit using the numbering given in entry NP_056969.2 (GeneID 51585). |

**Product Application Details**

|                              |                                                                    |
|------------------------------|--------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunoprecipitation                                  |
| <b>Recommended Dilutions</b> | Western Blot 1:2000-1:10000, Immunoprecipitation 2-10 ug/mg lysate |

**Images**

Western Blot: PCF11 Antibody [NBP2-12787] - Detection of human PCF11 by western blot and immunoprecipitation. Samples: Whole cell lysate from HeLa (15 and 50 ug for WB; 1 mg for IP, 20% of IP loaded), HEK293T (T; 50 ug) and Jurkat (J; 50 ug) cells. Antibodies: Affinity purified rabbit anti-PCF11 antibody NBP2-12787 used for WB at 0.1 ug/ml (A) and 1 ug/ml (B) and used for IP at 6 ug/mg lysate. PCF11 was also immunoprecipitated by rabbit anti-PCF11 antibody NBP2-12786, which recognizes an upstream epitope. Detection: Chemiluminescence with exposure times of 30 seconds (A) and 3 seconds (B).
