

# Product Datasheet

## HSDL2 Antibody NBP2-14104

Unit Size: 0.1 ml

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

|                      |                                                                                                                  |
|----------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                                           |
| <b>Concentration</b> | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>     | Polyclonal                                                                                                       |
| <b>Preservative</b>  | 0.02% Sodium Azide                                                                                               |
| <b>Isotype</b>       | IgG                                                                                                              |
| <b>Purity</b>        | Immunogen affinity purified                                                                                      |
| <b>Buffer</b>        | PBS (pH 7.2) and 40% Glycerol                                                                                    |

**Product Description**

|                    |                                                                                                                                                                               |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                                                                                        |
| <b>Gene ID</b>     | 84263                                                                                                                                                                         |
| <b>Gene Symbol</b> | HSDL2                                                                                                                                                                         |
| <b>Species</b>     | Human                                                                                                                                                                         |
| <b>Immunogen</b>   | This antibody was developed against a recombinant protein corresponding to the amino acids:<br>IDILVNNASAI SLTNTLDTPTKRLDLMMNVNTRGTYLASKACIPYLKKS KVAHILNI<br>SPPLNLNPVWFKQHC |

**Product Application Details**

|                              |                                                                                                                                       |
|------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                          |
| <b>Recommended Dilutions</b> | Immunohistochemistry 1:200 - 1:500, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:200 - 1:500 |
| <b>Application Notes</b>     | For IHC-Paraffin, HIER pH 6 retrieval is recommended. ICC/IF Fixation Permeabilization: Use PFA/Triton X-100.                         |

**Images**

Immunohistochemistry-Paraffin: HSDL2 Antibody [NBP2-14104] - Staining in human adrenal gland and lymph node tissues using anti-HSDL2 antibody. Corresponding HSDL2 RNA-seq data are presented for the same tissues.

Immunohistochemistry-Paraffin: HSDL2 Antibody [NBP2-14104] - Staining of human colon, kidney, liver and lymph node using Anti-HSDL2 antibody NBP2-14104 (A) shows similar protein distribution across tissues to independent antibody NBP2-14105 (B).

Immunocytochemistry/Immunofluorescence: HSDL2 Antibody [NBP2-14104] - Staining of human cell line RH-30 shows localization to mitochondria. Antibody staining is shown in green.

Immunohistochemistry-Paraffin: HSDL2 Antibody [NBP2-14104] - Staining of human liver.

Immunohistochemistry-Paraffin: HSDL2 Antibody [NBP2-14104] - Staining of human adrenal gland shows high expression.

Immunohistochemistry-Paraffin: HSDL2 Antibody [NBP2-14104] -  
Staining of human lymph node shows low expression as expected.

Immunohistochemistry-Paraffin: HSDL2 Antibody [NBP2-14104] -  
Staining of human colon.

Immunohistochemistry-Paraffin: HSDL2 Antibody [NBP2-14104] -  
Staining of human kidney.
