## HSBP1L1 Antibody - BSA Free

### NBP2-14631

Unit Size: 0.1 ml

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

| Unit Size                   | 0.1 ml                                                                                                                                                                                              |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.                                                                                    |
| Storage                     | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                                                                                                              |
| Clonality                   | Polyclonal                                                                                                                                                                                          |
| Preservative                | 0.02% Sodium Azide                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                 |
| Purity                      | Immunogen affinity purified                                                                                                                                                                         |
| Buffer                      | PBS (pH 7.2) and 40% Glycerol                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                     |
| Description                 | Novus Biologicals Rabbit HSBP1L1 Antibody - BSA Free (NBP2-14631) is a polyclonal antibody validated for use in IHC and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                              |
| Gene ID                     | 440498                                                                                                                                                                                              |
| Gene Symbol                 | HSBP1L1                                                                                                                                                                                             |
| Species                     | Human                                                                                                                                                                                               |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Rat (81%)                                                                                                  |
| Immunogen                   | This antibody was developed against a recombinant protein corresponding to the amino acids:<br>NLFQELQEHFQALTATLNLRMEEMGNRIEDLQKNVNDLMVQAGIENSIKEQMLE                                               |
| Product Application Details |                                                                                                                                                                                                     |
| Applications                | Immunohistochemistry-Paraffin, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                                                                                        |
| Recommended Dilutions       | Immunohistochemistry 1:50 - 1:200, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:50 - 1:200                                                                 |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.<br>Immunocytochemistry/Immunofluorescence Fixation Permeabilization: Use PFA/Triton X-100.                                                    |

## Images

Immunocytochemistry/Immunofluorescence: HSBP1L1 Antibody [NBP2-14631] - Immunofluorescent staining of human cell line PC-3 shows localization to nucleoplasm.

Immunohistochemistry-Paraffin: HSBP1L1 Antibody [NBP2-14631] - Staining of human stomach shows moderate cytoplasmic and membranous positivity in glandular cells.
