## ASAH1 Antibody - BSA Free

### NBP2-15479

Unit Size: 0.1 ml

Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.

| Clonality                   | Polyclonal                                                                                                                                                                                    |
| Preservative                | 0.025% Proclin 300                                                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                     |
| Buffer                      | PBS (pH 7), 20% Glycerol                                                                                                                                                                      |
| Target Molecular Weight     | 45 kDa                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                               |
| Description                 | Novus Biologicals Rabbit ASAH1 Antibody - BSA Free (NBP2-15479) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                        |
| Gene ID                     | 427                                                                                                                                                                                           |
| Gene Symbol                 | ASAH1                                                                                                                                                                                         |
| Species                     | Human, Mouse                                                                                                                                                                                  |
| Reactivity Notes            | Chimpanzee (100%), Bovine (87%), Rat (84%).                                                                                                                                                   |
| Immunogen                   | Recombinant protein encompassing a sequence within the center region of human ASAH1. The exact sequence is proprietary.                                                                       |
| Product Application Details |                                                                                                                                                                                               |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                             |
| Recommended Dilutions       | Western Blot 1:500-1:3000, Immunohistochemistry 1:100-1:1000, Immunohistochemistry-Paraffin 1:100-1:1000                                                                                      |

## Images

Immunohistochemistry-Paraffin: ASAH1 Antibody [NBP2-15479] - Immunohistochemical analysis of paraffin-embedded Adenocarcinoma, using antibody at 1:500 dilution.

Immunohistochemistry-Paraffin: ASAH1 Antibody [NBP2-15479] - ASAH1 antibody detects ASAH1 protein at cytoplasm by immunohistochemical analysis. Sample: Paraffin-embedded mouse heart. ASAH1 stained by ASAH1 antibody (NBP2-15479) diluted at 1:500. Antigen Retrieval: Citrate buffer, pH 6.0, 15 min

Western Blot: ASAH1 Antibody [NBP2-15479] - Various whole cell extracts (30 ug) were separated by 15% SDS-PAGE, and the membrane was blotted with ASAH1 antibody (NBP2-15479) diluted at 1:1000. The HRP-conjugated anti-rabbit IgG antibody was used to detect the primary antibody.
