| Product Description         |                                                                                                                                                                                              |
| Description                 | Novus Biologicals Rabbit FUR1 Antibody - BSA Free (NBP2-16547) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                       |
| Gene ID                     | 139596                                                                                                                                                                                       |
| Gene Symbol                 | UPRT                                                                                                                                                                                         |
| Species                     | Human, Mouse                                                                                                                                                                                 |
| Immunogen                   | Recombinant protein encompassing a sequence within the center region of human FUR1. The exact sequence is proprietary.                                                                       |
| Product Application Details |                                                                                                                                                                                              |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                            |
| Recommended Dilutions       | Western Blot 1:500-1:3000, Immunohistochemistry 10 - 1:500, Immunohistochemistry-Paraffin 1:100-1:1000                                                                                       |

## Images

Western Blot: FUR1 Antibody [NBP2-16547] - Sample (30 ug of whole cell lysate) A: A549 12% SDS PAGE gel, diluted at 1:500.

Immunohistochemistry-Paraffin: FUR1 Antibody [NBP2-16547] - UPRT antibody detects UPRT protein at cytosol and nucleus on mouse liver by immunohistochemical analysis. Sample: Paraffin-embedded mouse liver. UPRT antibody dilution: 1:500.

Immunohistochemistry-Paraffin: FUR1 Antibody [NBP2-16547] - Immunohistochemical analysis of paraffin-embedded Hepatoma, using antibody at 1:500 dilution.
