| Clonality                   | Polyclonal                                                                                                                                                                                              |
| Preservative                | 0.01% Thimerosal                                                                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                                                                     |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                               |
| Buffer                      | PBS (pH 7), 10% Glycerol                                                                                                                                                                                |
| Target Molecular Weight     | 71 kDa                                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                         |
| Description                 | Novus Biologicals Rabbit NUB1/NYREN18 Antibody - BSA Free (NBP2-19616) is a polyclonal antibody validated for use in WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                                  |
| Gene ID                     | 51667                                                                                                                                                                                                   |
| Gene Symbol                 | NUB1                                                                                                                                                                                                    |
| Species                     | Human                                                                                                                                                                                                   |
| Reactivity Notes            | Mouse (80%), Rat (81%), Bovine (80%).                                                                                                                                                                   |
| Immunogen                   | Recombinant protein encompassing a sequence within the C-terminus region of human NUB1/NYREN18. The exact sequence is proprietary.                                                                      |
| Product Application Details |                                                                                                                                                                                                         |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence                                                                                                                                                   |
| Recommended Dilutions       | Western Blot 1:500-1:3000, Immunocytochemistry/ Immunofluorescence 1:100-1:1000                                                                                                                         |

## Images

Western Blot: NYREN18 Antibody [NBP2-19616] - Sample (30 ug of whole cell lysate) A: A549 7. 5% SDS PAGE gel, diluted at 1:1000.

Immunocytochemistry/Immunofluorescence: NYREN18 Antibody [NBP2-19616] - Immunofluorescence analysis of paraformaldehyde-fixed A549, using antibody at 1:500 dilution.
