

# Product Datasheet

## Vang-like Protein 2/VANGL2 Antibody - Azide and BSA Free NBP2-21295

Unit Size: 0.1 mg

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

**NBP2-21295**

Vang-like Protein 2/VANGL2 Antibody - Azide and BSA Free

| Product Information         |                                                                                        |
|-----------------------------|----------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 mg                                                                                 |
| Concentration               | LYOPH mg/ml                                                                            |
| Storage                     | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| Clonality                   | Polyclonal                                                                             |
| Preservative                | No Preservative                                                                        |
| Reconstitution Instructions | Lyophilized powder, reconstituted in distilled water.                                  |
| Isotype                     | IgG                                                                                    |
| Purity                      | Protein A purified                                                                     |
| Buffer                      | 0.1M Tris , 0.1M Glycine and 2% Sucrose                                                |
| Target Molecular Weight     | 60 kDa                                                                                 |

| Product Description     |                                                                                                                                                                                                                                        |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description             | Novus Biologicals Rabbit Vang-like Protein 2/VANGL2 Antibody - Azide and BSA Free (NBP2-21295) is a polyclonal antibody validated for use in WB, ELISA and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                    | Rabbit                                                                                                                                                                                                                                 |
| Gene ID                 | 57216                                                                                                                                                                                                                                  |
| Gene Symbol             | VANGL2                                                                                                                                                                                                                                 |
| Species                 | Human, Mouse, Rat                                                                                                                                                                                                                      |
| Reactivity Notes        | Human, Mouse and Rat.                                                                                                                                                                                                                  |
| Specificity/Sensitivity | Reacts with human 60 kDa VANGL2 protein.                                                                                                                                                                                               |
| Immunogen               | Synthetic peptide derived from N-terminal domain of human VANGL2 protein                                                                                                                                                               |

| Product Application Details |                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                       |
| Recommended Dilutions       | Western Blot 1:100-1:2000, ELISA 1:100-1:2000, Immunocytochemistry/ Immunofluorescence 1:10-1:2000 |
