**NBP2-22024**

Neurturin Antibody (32E21) - Azide and BSA Free

**Product Information**

|                                    |                                                                                                   |
|------------------------------------|---------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 mg                                                                                            |
| <b>Concentration</b>               | LYOPH mg/ml                                                                                       |
| <b>Storage</b>                     | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.            |
| <b>Clonality</b>                   | Monoclonal                                                                                        |
| <b>Clone</b>                       | 32E21                                                                                             |
| <b>Preservative</b>                | No Preservative                                                                                   |
| <b>Reconstitution Instructions</b> | Reconstitute with sterilized PBS to a final concentration of 0.2 mg/ml.                           |
| <b>Isotype</b>                     | IgG1                                                                                              |
| <b>Purity</b>                      | Protein G purified                                                                                |
| <b>Buffer</b>                      | Lyophilized from a 0.2 um filtered solution in PBS. 0.025 mg size is provided in liquid form, PBS |

**Product Description**

|                    |                             |
|--------------------|-----------------------------|
| <b>Host</b>        | Mouse                       |
| <b>Gene ID</b>     | 4902                        |
| <b>Gene Symbol</b> | NRTN                        |
| <b>Species</b>     | Human                       |
| <b>Immunogen</b>   | Human recombinant Neurturin |

**Product Application Details**

|                              |                                                                  |
|------------------------------|------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, ELISA, Block/Neutralize                            |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:1000, ELISA 1:1000-1:2000, Block/Neutralize |

**Images**

Western Blot: Neurturin Antibody (32E21) [NBP2-22024] - Lysates of HEK293 cells overexpressing human Neurturin.
