| Clone TRAP1.3.6 Preservative 0.05% Sodium Azide Isotype IgG1 Conjugate Alexa Fluor 647 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 959 Gene Symbol CD40LG Species Human Immunogen Mouse myeloma cell line transfected with human CD40 Ligand/TNFSF5 Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components; (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. Product Application Details Applications Flow Cytometry, CyTOF-ready | Storage | Store at 4C in the dark. |
| Preservative 0.05% Sodium Azide Isotype IgG1 Conjugate Alexa Fluor 647 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 959 Gene Symbol CD40LG Species Human Immunogen Mouse myeloma cell line transfected with human CD40 Ligand/TNFSF5 Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials and using the product or its components; (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. Product Application Details Applications Flow Cytometry, CyTOF-ready | Clonality | Monoclonal |
| Isotype IgG1 Conjugate Alexa Fluor 647 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 959 Gene Symbol CD40LG Species Human Immunogen Mouse myeloma cell line transfected with human CD40 Ligand/TNFSF5 Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchased or product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components, or any materials made using winclude, but is not limited to use of the product or generate revenue, which may include, but is not limited to use of the product or its components; (ii) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes, or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for use or prophylactic purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. | Clone | TRAP1.3.6 |
