**NBP2-12185IR**

CD94 Antibody (MM0181-5F26) [DyLight 755]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | MM0181-5F26                                                                                 |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 755                                                                                 |
| Purity              | Protein G purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                                                                       |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Host                | Mouse                                                                                                                                                                                 |
| Gene ID             | 3824                                                                                                                                                                                  |
| Gene Symbol         | KLRD1                                                                                                                                                                                 |
| Species             | Human                                                                                                                                                                                 |
| Immunogen           | Human recombinant CD94                                                                                                                                                                |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                     |

| Product Application Details |                                               |
|-----------------------------|-----------------------------------------------|
| Applications                | Flow Cytometry, Block/Neutralize, CyTOF-ready |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready, Block/Neutralize |
