| Isotype                     | IgG2b Kappa                                                                                                                                                                                                             |
| Conjugate                   | HRP                                                                                                                                                                                                                     |
| Purity                      | Protein G purified                                                                                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                                         |
| Host                        | Mouse                                                                                                                                                                                                                   |
| Gene ID                     | 7009                                                                                                                                                                                                                    |
| Gene Symbol                 | TMBIM6                                                                                                                                                                                                                  |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                       |
| Immunogen                   | A mixture of three synthetic peptides corresponding to the N-terminal, internal and C-terminal regions of human B1. Epitope mapping indicates that the antibody recognizes an epitope in the N-terminal region of Bi-1. |
| Notes                       | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.                                   |
| Product Application Details |                                                                                                                                                                                                                         |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                       |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                  |
