ZMYND17 Antibody (RB29212)

| Product Information     |                                                                                        |
|-------------------------|----------------------------------------------------------------------------------------|
| Unit Size               | 0.4 ml                                                                                 |
| Concentration           | 0.46 mg/ml                                                                             |
| Storage                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| Clonality               | Polyclonal                                                                             |
| Clone                   | RB29212                                                                                |
| Preservative            | 0.09% Sodium Azide                                                                     |
| Isotype                 | IgG                                                                                    |
| Purity                  | Protein A purified                                                                     |
| Buffer                  | PBS                                                                                    |
| Target Molecular Weight | 51.289 kDa                                                                             |

| Product Description |                                                                                                                                                                            |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                                                                                     |
| Gene ID             | 118490                                                                                                                                                                     |
| Gene Symbol         | MSS51                                                                                                                                                                      |
| Species             | Human                                                                                                                                                                      |
| Immunogen           | This ZMYND17 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 402-430 amino acids from the C-terminal region of human ZMYND17. |

| Product Application Details |                                                                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                          |
| Recommended Dilutions       | Western Blot 1:1000, Immunohistochemistry 1:50-1:100, Immunocytochemistry/Immunofluorescence 1:10 - 1:50, Immunohistochemistry-Paraffin 1:50-1:100 |
