**NBP2-47578**

XPG Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Immunogen affinity purified                                                                                      |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                                    |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit XPG Antibody - BSA Free (NBP2-47578) is a polyclonal antibody validated for use in IHC and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee.    |
| Host                | Rabbit                                                                                                                                                                                             |
| Gene ID             | 2073                                                                                                                                                                                               |
| Gene Symbol         | ERCC5                                                                                                                                                                                              |
| Species             | Human                                                                                                                                                                                              |
| Immunogen           | This antibody was developed against a recombinant protein corresponding to amino acids:<br>EKEFELLDKAKRKTQKRGITNTLEESSSLKRKRLSDSKRKNTCGGFLGETCLSE<br>SSDGSSSEDAESSSLMNVQRRRTAAKEPKTSASDSQNSVKEAPVK |

| Product Application Details |                                                                                                                                       |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                          |
| Recommended Dilutions       | Immunohistochemistry 1:200 - 1:500, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:200 - 1:500 |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended. ICC/IF Fixation Permeabilization: Use PFA/Triton X-100.                         |

## Images

Immunocytochemistry/Immunofluorescence: XPG Antibody [NBP2-47578] - Staining human cell line U-251 MG shows positivity in nucleus but excluded from the nucleoli. Antibody staining is shown in green.

Immunohistochemistry-Paraffin: XPG Antibody [NBP2-47578] - Staining of human stomach, upper shows strong nuclear positivity in glandular cells.
