Influenza A Hemagglutinin H3 Antibody (InA246) [DyLight 650]

| Product Information         |                                                                                                                                                                      |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.2 ml                                                                                                                                                               |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.                                                     |
| Storage                     | Store at 4C in the dark.                                                                                                                                             |
| Clonality                   | Monoclonal                                                                                                                                                           |
| Clone                       | InA246                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                   |
| Isotype                     | IgG2a                                                                                                                                                                |
| Conjugate                   | DyLight 650                                                                                                                                                          |
| Purity                      | Protein A purified                                                                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                   |
| Product Description         |                                                                                                                                                                      |
| Host                        | Mouse                                                                                                                                                                |
| Species                     | Virus                                                                                                                                                                |
| Reactivity Notes            | Virus.                                                                                                                                                               |
| Immunogen                   | Hybridoma clone has been derived from hybridization of Sp2/0 myeloma cells with spleen cells of Balb/c mice immunized with Influenza A/Shangdong/9/93 (strain H3N2). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                    |
| Product Application Details |                                                                                                                                                                      |
| Applications                | Western Blot, ELISA                                                                                                                                                  |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                               |
